

**Template 7 – Economic Partner Risk Checklist**

**Responding Country:**  
**Responding Country Sector:** CUSTOMS  
**Economic Partner:**

Economic Partner <b>CUSTOMS</b> Sector
Are CUSTOMS services of the Economic Partner used by the CUSTOMS sector of the responding country? If No, proceed to ENERGY If yes, list services:
Impact if not available (List impact by service)
How long could the responding country’s CUSTOMS sector function in the absence of these services? (List by service)
What information do you have to indicate Y2K preparedness of this economic partner’s CUSTOMS sector?
Economic Partner <b>ENERGY</b> Sector
Are ENERGY services of the Economic Partner used by the CUSTOMS sector of the responding country? If No, proceed to FINANCE If yes, list services:
Impact if not available (List impact by service)
How long could the responding country’s CUSTOMS sector function in the absence of these services? (List by service)
What information do you have to indicate Y2K preparedness of this economic partner’s ENERGY sector?

Economic Partner <b>FINANCE</b> Sector
Are FINANCE services of the Economic Partner used by the CUSTOMS sector of the responding country? If No, proceed to TELECOMMUNICATIONS If yes, list services:
Impact if not available (List impact by service)
How long could the responding country's CUSTOMS sector function in the absence of these services? (List by service)
What information do you have to indicate Y2K preparedness of this economic partner's FINANCE sector?
Economic Partner <b>TELECOMMUNICATIONS</b> Sector
Are TELECOMMUNICATIONS services of the Economic Partner used by the CUSTOMS sector of the responding country? If No, proceed to TRANSPORTATION If yes, list services:
Impact if not available (List impact by service)
How long could the responding country's CUSTOMS sector function in the absence of these services? (List by service)
What information do you have to indicate Y2K preparedness of this economic partner's TELECOMMUNICATIONS sector?

Economic Partner <b>TRANSPORTATION</b> Sector
Are TRANSPORTATION services of the Economic Partner used by the CUSTOMS sector of the responding country? If No, proceed to next table If yes, list services:
Impact if not available (List impact by service)
How long could the responding country's CUSTOMS sector function in the absence of these services? (List by service)
What information do you have to indicate Y2K preparedness of this economic partner's TRANSPORTATION sector?
